

HEATS THE HOME LIKE THE SUN HEATS THE EARTH

CALORIC PIPELESS FURNACE

A miracle of modern science—offering to every family in this community a better heated home at lower cost.

Caloric heating is based on the natural law that warm air rises and cool air falls. In obedience to this law, Caloric heat flows naturally to every part of the building, without resistance—without waste.

Uniform heat distribution—fuel saving of 1/4 to 1/2—convenience—clean, healthful heat—are features that have made Caloric the most popular heating plant in the world. More than 125,000 users.

The Caloric heats old or new homes of 18 rooms or less. Installed in a day. No plumbing, no alterations, no pipes to freeze. The written guarantee of the largest manufacturer of warm air furnaces in the world, and our personal guarantee, assure your satisfaction or money back.

Investigate and learn the advantages of Caloric heat for your home—now.

Negroes Form Band.

A number of colored young men of Rockingham have organized a band, and the instruments arrived Monday. They start with 16. The name is the "White Star" band.

Hero of Baptist Drive.

The following from News & Observer of July 16th:

"Rev. D. E. Cameron, the Baptist minister who secured the \$2,000 contribution to the Baptist 75 Million Campaign from a rich Indian woman, is in Raleigh the guest of his nephew Governor Cameron Morrison.

Mr. Cameron is Governor Morrison's mother's youngest brother. He was born in Richmond County, but he is now living in Henrietta, Oklahoma. He will accompany the Governor and his family to Asheville Monday."

"Unkind Judgment."

(Contributed)

The tongue is a little member that boasteth great things; it has its uses and its abuses, and sometimes we think its abuses out number its uses. One of its abuses is "unkind judgment."

Public opinion is an important factor in commercial life. It is a common fault of human kind to pronounce unkind judgment on our fellow men. We have a perfect right to form our own opinions, but not always the right to utter them. We must be sure we are justified in speaking if our words are going to express judgment. In many towns the size of ours, the commonest form of unkind judgment is "gossip." When we meet as neighbors or friends or in the social circle and tell the news, if we confined ourselves to facts, that would be well and good; we'd have no use for newspapers.

But we're all addicted to expressing our opinions and judgment on the things we hear, and as they go from friend to friend they grow bigger and before we realize it, we have damaged beyond repair somebody's reputation, and after its too late, we see the suffering and humiliation we might have spared that person had we thought before we spoke.

Unkind judgment is a great sin, a presumption, we take on ourselves the place of judge, which we have no right to, especially as we are sinners ourselves, and it is more than likely we would have done no better than the one we condemn if we had been in his or her place. In telling things, if we make no mistake, the chances are, we are wrong in our conclusion and at any rate, we may leave a wrong impression, which often proves as injurious as an untruth. Unkind judgment is very often caused by our own stupid hearts, that have given place to envy, spite, love of revenge, selfishness, pride, or some other evil feeling. If we'd only stop to analyze our feelings we'd find the devil prompting far more than justice and a desire to help some one.

The unhappiest man or woman on earth is one who lives to censor their fellow men; we don't have to flatter—simply say pleasant things and leave the others unsaid. Try to see good in all we know. There is good in everybody, and we will soon find ourselves popular, happy, and useful citizens.

ehicles and Machinery.

FOR SALE—The following used vehicles and machinery: One used mowing machine; one used one-horse wagon nearly new; one Ford coupe; one slightly used Majestic range.

Cars Sunk in Quarry.

About a mile east of Raleigh is an old rock quarry, from which rock to build the capitol building was extracted years ago. The immense hole is now over 50 feet deep in water. Recently in Raleigh a number of cars have disappeared, and the owners collected the theft insurance. The companies became suspicious, or some one "squealed," with the result that this quarry hole of water was searched with grappling hooks and two automobiles, a Super Six and a King, were gotten out. The salvagers are at work this week in getting out other cars that had been driven over the cliff into the hole and the owners getting the insurance.

Cordova Items.

Mr. and Mrs. J. W. McKenzie have returned home after spending a week in Charlotte.

Mr. Willie Lear, of Kannapolis, was here last week visiting his parents, Mr. and Mrs. Frank Lear.

Mr. Warren Driggers moved here a few days ago from McColl, S. C. We are glad to have him with us again.

W. E. Reed has quit the mill, and will be postmaster here when the postoffice is established in the near future.

We are glad to learn that Mrs. J. W. Hinson is much improved.

A crowd of the young folks motored over to Blewett Falls Sunday p. m.

W. E. Reed was recently that his brother, W. L. Reed, who recently joined the army, has sailed for the Philippine Islands. It will take him 21 days to land.

It seems like Steele's Mills has her share of automobiles; there are 20 in the village.

Roberdel No. 2 Items.

I have been silent for some weeks thinking a better writer might write up the news of our town, but not one has written yet, so if our people will assist me by informing me of any items they gather up I will try again—a busy housewife can't learn all the news of her town.

The Children's Day service was observed Sunday night at the M. E. Church. The house was well filled long before 8 o'clock. How we do need a larger church!

Rev. Mr. Arnette filled his regular appointment Sunday night, also Rev. W. R. Coppedge at three in the afternoon, but sad indeed to see how some people neglect the gospel for pleasure.

Many of our people spent the fourth off on a vacation while the mill was stopped.

Mr. Z. R. Watkins was carried to the Sanatorium in Charlotte a few days ago for treatment.

Mr. J. Morse has a very sick baby at this writing.

Mrs. G. W. Childers, of Norfolk (better known as Miss Emma Norman) has returned home after visiting her sisters, Mrs. Colon O'Brien and Mrs. Henry Gay, for 3 weeks.

Miss Mattie Wallace, of Charlotte, is visiting relatives here.

Mrs. McCrosby, of Pee Dee, is visiting her daughter, Mrs. Kinney McKinnis this week.

Mr. U. S. Webb and wife spent Saturday and Sunday with Mr. S. L. Webb and Mr. Thomas Hasty on Watson Heights.

Miss Sarah Riddle, of West Rockingham, returned Saturday after a three weeks' visit with her brother, Mr. Silas Riddle.

Mr. Archie McNair and Mr. Billie Ellerbe can supply our town with melons for a while if the rogues will stay out.

AN UNPAINTED HOUSE

Is An Ever-Increasing Liability

The longer your home remains unpainted the more costly the repair will be when you have to renovate it. It's cheaper to paint now, and it's cheaper to use a paint that actually protects the surface.

CH House Paints are the result of 38 years of experience. Actual test has proven that they wear longer and give better service than ordinary paints. Ask for free booklets and color charts.
